El taller:

Un taller dinàmic, engrescador, innovador i molt participatiu de cant interpretatiu a l’estil *church service*

Ramon Escalé proposa amb el seu Gospel Celebration un taller dinàmic, engrescador i innovador on tothom participa des del primer moment, amb l’objectiu de centrar-se en la interpretació del cant. A l’estil dels *Church Service* afroamericans i africans, s’alternaran moments de gran intensitat musical i energètica amb d’altres de més interiorització, essent conscients que el gospel és una poderosa eina de mobilització d’emocions i sentiments.

Escalé és director dels cors Barcelona Gospel Messengers, Esclat Gospel Singers i els Cors Gospel del Conservatori del Liceu de Barcelona.

Es facilitaran als participants les partitures i mp3 dels temes amb anterioritat al taller per poder-se centrar més la interpretació.
